

ASKS ALLIES TO GET APPROVAL OF U. S.

President of League Urges Haste in Order to Decide on German Colonies' Mandate.

PARIS, June 17 (Associated Press).—Dr. Gastao Da Cunha, President of the Council of the League of Nations, has addressed identical notes to the Prime Ministers of France, Great Britain, Italy and Japan with regard to the urgency of having the approval of the United States before decisions can be taken on mandates for the former German colonies. The contents of the note have been communicated to the United States Government.

After summarizing the situation created by the attitude of the American Government which has indicated its intention not to make representations at the coming meeting of the League's Council on the mandate question, says:

Dr. Da Cunha says: "I therefore venture to ask the principal Allied Powers to be good enough to make every effort to arrive at a solution of the points under discussion between them and the United States, so as to enable the Council of the League of Nations to settle the whole question of mandates before the next meeting of the Assembly."

FIND SILK TRUCK BANDITS ABANDONED

Vehicle Stripped of Load but No Attempt Made to Disguise It.

The truck stolen with \$20,000 worth of silk near Crt Swamp, New Jersey, when six masked bandits killed Charles Kosta as he was passing on a motorcycle, has been found in Hunterdon County and will be taken to Newton today.

The hold-up and murder occurred Tuesday, and though the bandits had been driving around for twenty-four hours while searching parties watched all roads, they had made no attempt to disguise the truck. When found abandoned on a lonely road near Frenchtown it still bore its license plate and the name of the firm that owns it. Everything in the truck had been removed except three cases. Whether these cases were empty or contained cheap goods the robbers did not want was not reported to the Hunterdon County authorities.

No trace has been found of the robbers.

LAWYER CALLS COP CRUEL; ARRESTED

Max B. Walder One in Crowd to Accuse Ahearn of Ill Treating Drug Suspect.

Max B. Walder, twenty-five, an attorney, of No. 1133 Broadway, was arrested last night outside the Alexander Avenue police station, Bronx, by Detective Ahearn when he remonstrated with Ahearn for alleged ill treatment of a prisoner. He was charged with interference.

Ahearn had arrested Max Latersa, twenty-six, a junkman, of No. 737 East 149th Street, Bronx, on suspicion of being a drug vendor. According to Ahearn, Latersa broke loose and ran several blocks before he was caught. A crowd of several hundred berated the detective for alleged ill treatment of the prisoner. Some alleged Ahearn kicked Latersa while he was lying on the ground.

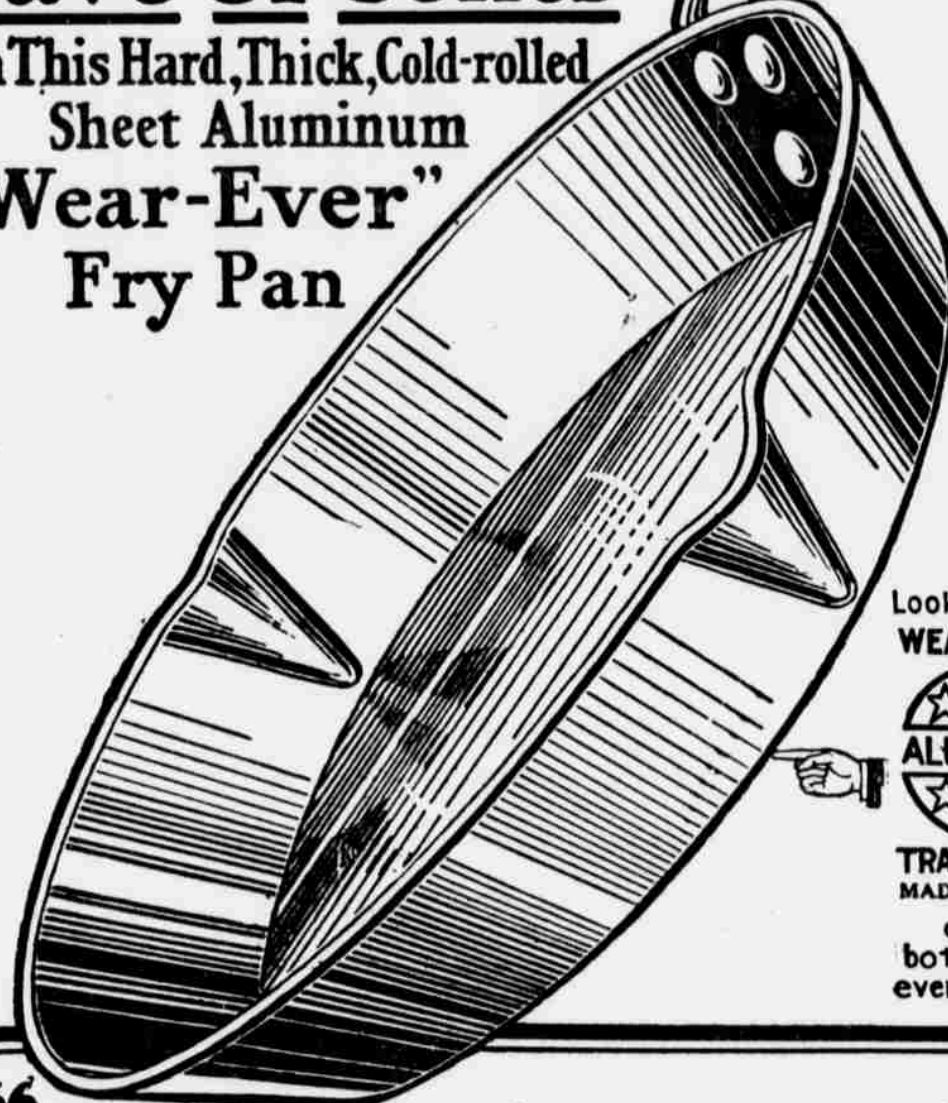

Latersa was charged with having a hypodermic needle, an ounce bottle containing a white powder, a spoon and a candle. Latersa denied the articles were his. Ahearn said he saw Latersa throw the articles away during the chase. They were found later, according to Ahearn.

When baking pies, fixing salad, making puddings or frozen dainties, you will find it much more convenient to use Hawaiian Canned Pineapple in its Crushed or Grated form.

Like the sliced pineapple with which you are more familiar, the Crushed or Grated is real, sun-ripened fruit, picked in the first few hours of its prime, and packed before sundown that same day.

All of the lusciousness and native flavor of the natural Hawaiian Pineapple is preserved by this process.

Buy Crushed or Grated Hawaiian Canned Pineapple at your grocer's in half dozen or dozen lots; then you will always be ready for the emergency. It is packed in several sizes of cans to suit your needs.

It will keep perfectly on your pantry shelf until you are ready for its use, and it requires no preparation whatsoever.

At the soda fountain, ask for a Pineapple Sundae. It is made with ice cream and Crushed or Grated Hawaiian Pineapple.

HAWAIIAN PINEAPPLE CRUSHED OR GRATED

Try These Good Recipes

Pineapple Pie—Beat ½ cupful butter, 1 cupful sugar and the yolks of 3 eggs to a cream. Add 1 can (crushed or Grated) Hawaiian Pineapple. Dissolve 1 tablespoonful cornstarch in a cup of sweet cream and add to the pineapple. Mix thoroughly. Beat the whites of the eggs until stiff and fold in lightly. Have ready a pie tin lined with crust. Fill with the pineapple mixture and bake in a moderate oven.

Pineapple Sherbet—Strain 1 can Grated Hawaiian Pineapple and add ½ cupful of sugar to the seed fruit. Let this cook slowly for ½ hour, then chill. Boil 3 cupfuls of water and 1½ cupfuls sugar together for 15 minutes, then cool. To this cold syrup add the juice from the can of pineapple and the juice of 3 lemons. Turn this into freezer and pack with salt and ice, using about 5 cupfuls coarse salt and enough finely pound-

ed ice to pack the freezer solidly. Turn the freezer slowly for the first 10 minutes, then rapidly until the mixture is frozen—about 10 minutes more. Now wipe the salt from the cover of the freezer and remove. Take out the beater, scraping off all the sherbet. Add the cooked pineapple and beat well. Cover and let stand half an hour or more. Serve in sherbet glasses. This sherbet will be light, creamy and of fine texture.
